

## Sponsorship packages 2023 Queer Displacements Conference

### Organisers:

Forcibly Displaced People Network (FDPN), the first registered LGBTIQ+ refugee-led organisation in Australia, in partnership with Equal Asia Foundation (EqualAF).

### About the conference:

The Queer Displacements is the first and only conference in the Asia Pacific designed to comprehensively foreground protection and settlement challenges of lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+) forcibly displaced people. It is created to champion the voices and the lived experience of LGBTIQ+ forcibly displaced people. The Queer Displacements conference is the space for awareness raising, solidarity, building alliances and engaging the whole of society in ensuring justice, protection and solutions for LGBTIQ+ people in forced displacement.

The inaugural 2019 Queer Displacements conference brought together 150 attendees from 14 countries under the theme Sexuality, Migration and Exile. The program covered challenges and protection needs of LGBTIQ+ forcibly displaced people, emerging research and highlighted solutions for better support. The file report can be found [here](#).

The 2023 theme is Leadership, Partnership and Belonging. The 2023 Queer Displacements will foreground the leadership of LGBTIQ+ forcibly displaced people and best and emerging practices of supports of these communities, all with a common goal of achieving belonging and ending displacement.
